

ANC Pathway Report - April, 2020

Prepared by LeeAnn Riley, Ag, Culinary Arts, Nutrition Lead

Progress/Topics Covered:

1. Communication with students during campus closure

- Talked about how to support students for the Summer and Fall semesters.
- Discussed which courses should be communicated with students for their majors and gen ed.
- Shared what is working and specific practices for online format.

2. Counseling Report

- Virtual Transfer Fair details: **Tuesday, April 28** from **11:00 a.m. to 1:00 p.m.** Students will be able to view videos from participating institutions highlighting what their campuses have to offer. University representatives will also be on hand to answer student's questions about transfer.
- Counselor and advisor shared email information to share with students to provide online support.

3. *Kiss the Ground Foundation* and the *Rev & Naina Patel Foundation* to begin building an internship program in regenerative agricultural practices.

Discussion on what courses we can implement into this program and how the ANC pathway can get more involved.

4. Virtual AG Club Zoom meeting April 16 at 12:00pm.

Topics for students:

A special meeting with our Educational Specialists for the Agriculture, Nutrition, and Culinary Arts (ANC) Pathway.

Meet Counselor Aneesha Awrey, Educational Advisor Juan Manzano and Job Development Specialist Domenica Trinidad for this great Ag Club virtual meeting.

Get up to date reports on what to do in this COVID-19 environment. If you have questions, this is interactive. Open to all students, parents, instructors and future Renegades.

Challenges

Online meeting was difficult to schedule due to the overwhelming amount of course revisions and other virtual meetings happening at the same time.
