BCSGA at Bakersfield College,
1801 Panorama Dr, Bakersfield, CA 93305

Dear Reader/s,

I hope you find this well. My most honest intent in applying for the position of Legislative Affairs manager is to not only represent all of BC's student body. But to use this position to serve as a voice, an individual that is willing to shine light on subjects that are otherwise forgotten or overlooked. I have willed myself throughout my four years in highschool to shine light on balance. As a student I myself have had the tendency to solely focus on studying and working. While forgetting the importance of social life, social events, activities that are all a part of a student experience. They are a necessity, it enables us to grow as individuals, to create and broaden experiences and opportunities. Throughout my four years in high school (Alliance Margaret M. Bloomfield High School), I have been involved within the student body/governemnt. My experiences lie with positions in ASB (Associate Student Body), committees for all 4 years, Vice President of NHS (National Honors Society), participating in political campaigns, and sports as well. Student Government at Bakersfield College, it is an association, a group that expresses concerns, opinions or needs of students. It is an association that creates change, and I sincerely hope I can be a part of this change as well!

Sincerely,

Brenda Abad
