Board Policy and Administrative Procedure Revision Project

Beginning in Fall 2015, the Kern Community College District embarked on a major project to update its board policies and administrative procedures and align them with changes in laws, regulations and accreditation standards.

As board policies are adopted by the board of trustees and administrative procedures are developed, they will be posted on the District’s website.

NOTE: The language in red ink is legally required.

The District Chancellor shall assure that student records are maintained in compliance with applicable federal and state laws relating to the privacy of student records.

The District Chancellor may direct the implementation of appropriate safeguards to assure that student records cannot be accessed or modified by any person not authorized to do so.
Any currently enrolled or former student of the District has a right of access to any and all student records relating to him or her maintained by the District.

No District representative shall release the contents of a student record to any member of the public without the prior written consent of the student, other than directory information as defined in this policy and information sought pursuant to a court order or lawfully issued subpoena, or as otherwise authorized by applicable federal and state laws.

Students shall be notified of their rights with respect to student records, including the definition of directory information contained here, and that they may limit the information.

Directory information shall include:
- Student participation in officially recognized activities and sports including weight, height and high school of graduation of athletic team members.
- Degrees and awards received by students, including honors, scholarship awards, athletic awards and Dean’s List recognition.

NOTE: This is an extremely limited definition of “directory information.” Both state and federal laws permit the Board to adopt a definition of “directory information” that includes any of the following: name, address, telephone number, date and place of birth, major field of study, student participation in officially recognized activities and sports including weight, height and high school of graduation of athletic team members, degrees and awards received by students, including honors, scholarship awards, athletic awards and Dean’s List recognition, dates of attendance, and the most recent public or private school attended by the student. Such an expansive definition of “directory information” is no longer recommended out of concern for both the family privacy and the safety of students. Applicable law does not give the District discretion to use a more expansive definition of directory information on a selective basis, e.g., in order to make such data available to potential vendors.

NOTE: The red ink signifies language that is legally required and recommended by the Policy & Procedure Service and its legal counsel (Liebert Cassidy Whitmore). This policy reflects updates/revisions from the Policy & Procedure Service in February 2008 and April 2015.
