

Report to Guided Pathways Implementation Team

Lesley Bonds | February 2019

Increase in GP Inquiries

Requests from other colleges to meet and discuss BC's GP work have increased significantly. We have recently connected with the following colleges in at least one phone/zoom call but often two phone/zoom calls – once with their leadership team and a second with a larger group:

- Mission College
- Allan Hancock College
- Sierra College
- College of the Canyons
- San Diego City College
- Mt. San Jacinto College
- Citrus College
- Fresno City College
- Santa Ana College
- Fresno City College
- Palomar College

On-Site Visits

The following have pushed for on-site visits following our discussions. We have hosted three colleges on-site so far and have three more on the calendar for spring 2019.

| | |
|----------------------|-------------------------|
| February 26-27 | Allan Hancock |
| February 12-13, 2019 | Mt. San Jacinto College |
| February 12-13, 2019 | Citrus College |
| December 10, 2018 | Fresno City College |
| November 13-14, 2018 | Santa Ana College |

Identified Needs

1. Frequently Asked Questions document
2. Strengthened web presence for external viewership
3. Stock Guided Pathways PowerPoint for use across campus
4. Leadership team for external inquiries (interviews, FLEX presentations, campus visits, etc.)
5. Tracking document of all travel, outreach, and dissemination activities to identify budget impact and for reporting on various grants
6. Other?
