Bakersfield College Student Government Association

Dear BCSGA Association,

I am writing to officially offer my resignation from my position as Vice President of the Bakersfield College Student Government Association.

It has been a my greatest pleasure and privilege to work with such an amazing and inspiring group such as yourselves. I have learned a lot and grown as an individual as well. It saddens me to say goodbye to all of you. My star people, keep on working hard to be the change at Bakersfield College as you have. A special thanks to our advisors, staff, and members who have helped have helped guide me throughout this unforgettable journey. Thank you for your patience, constant support, and most importantly thank you for believing in me.

I hate to leave, but fortunately I will be graduating this semester and will be continuing to pursue my career at California State University, Sacramento. I will miss you all, but it does not mean goodbye may our friendships continue! Each and every one of you hold a very special place in my heart.

I love you all and thank you for the opportunity.

Warmest Regards,

Brenda Abad
