ISER Faculty Team Leads

ISER Lead: Jason Stratton

Expectations:

- Development of a timeline and meeting schedule for 2023-2024
- Development and implementation of accreditation training
- Recruit faculty and other employees
- Integrate accreditation goals/tasks into governance and operational processes
- Review and monitor ISER development process
- Implementation of action plan for fall 2023 and spring 2024 (communication plan to include coordination of governance committee meetings and groups of faculty/staff/students to discuss ISER)

Compensation: .4 release or stipend equivalent for fall 2023 and spring 2024

ISER Editor: Talita Pruett

Expectations:

- Edit the ISER component drafts to develop a unified document for submission to ACCJC

Compensation: .4 release or stipend equivalent for fall 2023 and spring 2024

ISER Indexer: Sondra Keckley

Expectations:

- Work with the teams to compile and index evidence for the ISER submission to ACCJC
- Develop and implement file/evidence naming conventions and ensure they are applied appropriately.

Compensation: .2 release or stipend equivalent for fall 2023 and spring 2024
