

Application for Credit for Prior Learning: INDUSTRY CERTIFICATION

Student Name: _____

BC ID#: _____

Declared Major: _____

Student: Based on the interest form you completed on the Credit for Prior Learning page of the BC website, please complete this form to request an evaluation for course credit based on prior learning or experience.

1. In the box below list any industry certifications you hold that you feel are related to your major and the course listed below.

2. The left column is populated with the course student learning outcomes, in the right column list any certifications or experience you have that you feel best aligns with that specific learning outcome

3. Attach additional evidence of experience or certifications to this form for review and verification by area faculty.

4. You may be asked to take an examination or perform a practical demonstration of knowledge to receive course credit.

Faculty expert: Review the documentation provided by the student. If the certificate or work based experience aligns with the course student learning outcomes, indicate your assessment in the yes/no column.

List certification(s) for consideration:

Course Student Learning Outcomes	Student: In the boxes below list your certifications or experience next to the student outcome it best aligns with.	Faculty: Alignment Evaluation	
		YES	NO

If approved, the coursework and credit for prior learning annotation made on the permanent record will be added to your transcript. The permanent academic record shall remain a true and complete academic history and the course work will remain on your permanent record and not removed. By signing below, you agree to these terms when applying for the credit for prior learning. Student Signature: _____
