- **Curriculum Co-Chairs’ Report-**
  - Discussed biggest accomplishments this week while moving courses online. Bio - filmed their labs. Use of closed captioning in YouTube. Online assessments. For curriculum we will try to continue business. EVote to be sent out. If you need to submit a comment, there will be a place. Only one more meeting to get curriculum to the BOT. A faculty member asked about a blanket DE approval. There is already a memo regarding a blanket amendment. Our local process is in October we sign a document that we reviewed and approved certain courses to be DE. We will have a more detailed discussion in the fall. A hybrid with less than 50% is a minimum of three face to face contacts (usually orientation/mid-term/final). See if FCDC is doing any virtual meetings and mention DE. Look for an email with voting directions.
  - COVID-19 Updates (Virtual Format & Suspension of Brown Act) - The official letter regarding the Brown Act is on the COVID-19 webpage. Not sure how long the closure will last, may be the end of the semester so please be prepared.

- **Articulation Officer Report-** Regarding GE, Mark said there will be an appeal in June just for technical reasons. Nothing substantial. UC Office of the President will honor courses if the outcomes are still met.
