

BCSGA: Campus Collaborative Action (CCA) Grant

COMPLETE

#12

The BCSGA Campus Collaborative Action (CCA) Grants are available to any Bakersfield College affiliated department, service, or office (BC Agency) for programmatic assistance that enhances the overall quality of student life on campus. CCA Grants should be used to boost the overall educational experience of students through the development of, exposure to, and participation in social, cultural, intellectual, recreational, governance, leadership, group development, campus and community service, and informational programs and activities. These conditions and processes comply with district, federal, state, and local laws as well as BC policies.
