Esteemed Colleagues of the Academic Senate E-Board and Academic Senate,

On the following pages you will find a draft procedure for your review.

**Background** (not intended to be a component of the procedure)
CCR Title 5 §55050 was amended in 2019 with the following information:

By December 31, 2020, the district shall certify in writing to the Chancellor of the California Community Colleges that the policies required by this section have been adopted and implemented. The Chancellor’s Office will administer an electronic form for districts to certify compliance with this section. The certification process will require:

1. Submission of the CPL policy language, and
2. Districts to confirm that each community college campus within the district has posted its CPL policy in the college catalog and on its Web site. The Chancellor’s Office will review the district certifications to ensure alignment with Title 5 §55050, and provide guidance to districts where policies are not aligned.

In February 2020, a workgroup began working on the requirements as outlined above. The workgroup reconvened in September, post COVID interruption, to ensure BC would meet the December deadline with the required materials. Thus, we present to you a draft procedure for implementing Credit for Prior Learning (CPL) as stated in BP 4C1. Additionally, the workgroup has developed a student interest form, a military course crosswalk template, and a web page.

**KCCD Board Policy (approved November 2020)**

**BP 4C1 Credit for Prior Learning Rely Primarily Upon Advice and Judgment**

*Credit may be earned by students who satisfactorily pass an assessment. The District Chancellor or designee shall establish Administrative procedures to implement this policy.*

Respectfully submitted on behalf of the Credit for Prior Learning Workgroup,

Jennifer Johnson

- Be currently enrolled in courses at Bakersfield College
- Work with the specific department to determine if the course is approved for credit by exam

The College cannot provide assurance that other educational institutions will similarly treat credits awarded for credit-by-examination.
