PROGRAM PLANNING SUMMARY

GENERAL PROGRAM INFORMATION

Justification for proposed program

The California State University (CSU) General Education Breadth Certificate of Achievement will allow students to certify their general education coursework through Bakersfield College. This will help to ensure a seamless process for students transferring to a CSU campus.

Need

Bakersfield College has a large number of students that transfer from Bakersfield College after completion of their General Education requirements without a degree or certificate. This certificate will allow students to certify their general education coursework through Bakersfield College. This will help to ensure a seamless process for students transferring to a CSU campus.

BAKERSFIELD COLLEGE PROGRAM TEMPLATE

For an ADT: Complete the ADT template. The template information needs to match the information above. To ensure accuracy, contact the Articulation Officer (Mark Osea - mark.osea@bakersfieldcollege.edu or Marisa Marquez- marimarq@bakersfieldcollege.edu)

Item 4. Master Planning

Program purpose/relevancy for the region:

Discuss how the program support the mission of Bakersfield College. Include labor market data and any supporting information that supports workforce demands. Career options for students with this degree should be included.

The California State University General Education Breadth Certificate of Achievement meets the mission of the college by validating students' knowledge and skills to think critically, communicate effectively, and to engage productively in their communities through certification of their general education coursework in preparation for transfer.

Item 5. Enrollment and Completer Projections

Identify the projected number of students who will complete the program. Discuss the proposed scheduling information. Are you offering all of the courses at once, or will you phase them in. State when you propose to have your first course(s) scheduled.

The projected number of students who will complete the program is 100 per year. Courses are currently being offered and scheduled on a regular basis.

Item 6. Place of Program in Curriculum/Similar Programs

State the department in which this program will be associated with.

The California State University General Education Breadth Certificate of Achievement will be interdisciplinary.

Item 7. Similar Programs at Other Colleges in Service Area

List colleges in the area that offer this degree. Describe how this program will not impact the existing programs and that the local region labor market can support additional supply. If there are none, do not leave this blank, make a statement to the fact that there are no local programs.

N/A

To avoid a delay in approval, be sure to avoid the common pitfalls:

- Course sequencing not provided in a table
- Program units in Narrative do not match units on the ADT template

Be prepared to attend the curriculum meeting when your program is a voting item. Submit the following to the curriculum committee.

- The program template
- A program student education plan

If your program is CTE, additional requirements are listed on the following page.

BAKERSFIELD COLLEGE PROGRAM TEMPLATE

Criteria for approval for CTE Programs

*There are 2 approval processes required for CTE programs – California Community College Chancellor's Office Approval (previous pages) and the Regional Consortium recommendation process. Both are very similar and can be done simultaneous. **Before a program can be submitted to the CCCO, you must have the regional consortium recommendation.***

Required documents for CCCCO approval:

- Narrative: **be sure to include the specific CTE information requested in each area of the template**
- Labor Market Information (LMI)
- Advisory Committee Recommendation includes advisory committee membership, minutes and summary of recommendations
- Regional Consortium Recommendation (Regional Consortia Approval Meeting Minutes – showing program recommendation)

Required documents for CTE consortium recommendation:

- Program narrative which includes:
 - Program Goals and Objectives – must address a valid workforce preparation purpose and may address transfer preparation.
 - Catalog Description – includes program requirements, prerequisite skills or enrollment limitations, student learning outcomes, and information relevant to program goal.
 - Program Requirements – includes course requirements and sequencing that reflect program goals. The GE pattern and the calculations used to reach the degree total must be shown following the program requirements table.
 - Enrollment and Completer Projections – projection of number of students to earn degree annually.
- Labor Market Information and Analysis (LMI)
- Advisory Committee Recommendation – includes advisory committee membership, minutes and summary of recommendations
- Employer survey (include only if strong LMI is not available)

Consortium approval Process:

1. Log on to the consortium site (Central/Mother Lode Regional Consortium) and register. <https://www.regionalcte.org/>. Click on register in the upper right corner.
2. After registering you can access the site at consortium website <http://crconsortium.com/program-and-course-approval/>.
3. Complete the template which is at the very bottom of the web page. A submission checklist is also available on the site.
4. Submit the required documents to the consortium and send a copy of the document to the CTE Dean at Bakersfield College. This will allow the Dean to facilitate the approval process.
5. Consortium approval will be sent via email. The email must be sent to the administrative services assistant and the curriculum co-chairs.
