II. Strategic Directions:

- Strategic Directions help BC plan for student success.
- Initiatives stemming from accreditation are completed during the three-year cycle.
- Each fall, committee reports will update progress on initiatives.
- A lot of good is coming from these strategic directions, but much still needs to be done.
- Most important, "How can we improve the process to get the information we want?"

III. Program Review

- Overall, Program Review 2015/2016 was great success.
- E Lumen will hopefully simplify the process in the future.
- Next time, PRC wants to meet with chairs and deans before the process begins.
- Data should come out earlier for the 2016/2017 process (as early as May?)

IV. Self-Evaluation Team 2018

- Co-chairs and teams are being formed, but **faculty volunteers are needed!**

V. Miscellaneous

- Academic Senate has reviewed all committees this academic year.
