ISIT Committee Meeting Update

March 6, 2023

Software Requests

IT is asking that all Software Requests- even those for Fall 2023- are completed by April 30th. The reason for this is due to the work both IT and the DO need to do on the back end.

When requesting software please provide the following information from the vendor:
- EULA (End User License Agreement)
- Cost quote for 60-90 days

Software requests can be sent to Brett Redd and Kristin Rabe in IT.

Employee Technology Usage Survey

On Friday 3/3/2023 Matt Jones sent out the Employee Technology Usage Survey on behalf of the ISIT Committee. ISIT would like to remind everyone to please take a moment and complete the survey.

The survey will close on Friday 3/17/23.
