

Program Review Committee Report to Academic Senate

February 15, 2023

Kim Nickell, Faculty Co-chair

- Program Review is working on the new cycle
 - Trends and issues that have bubbled up in the Program Review process are being used for Spring 23 goal setting and updating next year's cycle, which will go out in April 2023.
- Look for an even more streamlined Annual Update
 - In response to feedback from some departments
- Program Review has reached out to Assessment and Curriculum for updates to their pieces in program review.
