Daily Pre-Screening

As I return to Porterville College, I understand I have a role in the fight against COVID-19. I commit to responsible actions and to being an accountable member of both PC and the Porterville community.

I pledge to uphold this ideal every day by:

• Following public health guidelines to help protect myself and others.
• Protecting myself and others in areas of campus or situations where physical distancing isn’t possible to reduce the spread of COVID-19.
• Keeping my hands clean and sanitized while on campus, in my community, and at home.
• Adhering to capacity limits in social situations to prevent high-spread scenarios.
• Modifying my actions and encouraging others to do the same as guidelines and recommendations adapt over time.
• Providing accurate and honest information during all screening and contact tracing activities.

By taking the pledge to keep Porterville College in good health, I accept responsibility for myself and my actions and will do my best to prevent the spread of COVID-19.
