In order to keep our community updated on the latest coronavirus (COVID-19) developments, Bakersfield College is providing this webpage. Our goal is to provide you with resources and the latest news on the coronavirus (COVID-19).

BC continues our commitment to provide high quality instruction and support services - but we are doing it **from a distance**. This is our contribution as ambassadors for the public good, for the public health of our community... playing our part to flatten the epidemic curve for our students, our community, our nation, and the world."

-- President Sonya Christian
