

PORTERVILLE COLLEGE

DATA TEAM

(a Team reporting to Success & Equity Sub-Committee, reporting to Committee CC)

TEAM

An assembly of persons associated in a joint action; to gather or join in a team, a band, or a cooperative effort.

OBJECTIVE

The charge of the Porterville College Data Team is to do in depth analyses of all college data, with a special emphasis on data focusing on student success and equity. The team analyzes various data and reports compiled by the college and the district, and by other sources, and provides recommendations to the Success & Equity Sub-Committee and other groups across the college for actions to improve student success and institutional effectiveness.

FUNCTIONS

1. Develop a candid analysis of the college's performance with respect to student outcomes, success, and equity, with a special focus on students who may face barriers to success.
2. Examine quantitative and qualitative data and present findings to the college community, including, but not limited to the Success & Equity Sub-Committee and College Council.
3. Aid the Success & Equity Sub-Committee and other groups on campus in the analysis and review of data related to strategic goals and objectives.
4. Assist the Success & Equity Sub-Committee and other groups in the development and monitoring of indicators of student success and institutional effectiveness.
5. Assist with the strategy of evaluation of various college programs and initiatives.
