Message from Vice-Chancellor of HR Abe Ali about time commitment for EEOAC:

---

The commitment is to meet approximately once a month during the semester terms. Duties involve reviewing our Equal Employment Opportunity Plan along with participating in activities related to recruitment and retention of a diverse faculty and staff districtwide. I would estimate 2 to 4 hours a month of homework including meeting time with the committee. I will try to keep the official meeting time to an hour each time we meet.
