

## Letter of Intent

BCSGA President Elect Gayatao this letter of intent is to express my interest in being part of the incoming BCSGA team. As part of BCSGA I have worked hard to represent the student body of Bakersfield college. I have been an active member of the BCSGA team and would like to continue to serve the students of Bakersfield college. President Elect Gayatao I am asking to be considered for the open positions Director of Student Organizations and Director of student Activities. If appointed I will put in the time and level of commitment required of the position.

Thank you,

Daniel Escobar
