

Meeting Minutes - FCDC 2/22/13

Led by: Leah Carter

1. Senate Presentation by Corny Rodriguez
 - a. The history of diversity training at BC (shift from Staff Diversity to HR).
 - b. BC needs to mirror its community.
 - c. Handout: Demographic Data – BC vs. Community
 - d. Bottom line: As we look at applicant pools, keep diversity in mind.

2. Program Review - Manny Mourtzano
 - a. Integrate Program Review is tabled for now.
 - b. Clustered program reviews make data difficult. Breaking APRs by Title 5 definition of “program” would allow more specific data reporting.
 - c. Suggestion for moving forward: Rather than have completely separate APR forms, perhaps have one form that allows for combined areas by dept., and where appropriate, having distinct data sections broken out by the “title 5” program areas.

3. Technology Presentations - Todd, Bill and Leah all made fantastic and engaging presentations on Technology on campus.
 - a. Much discussion ensued.
 - b. Among the roadblocks / concerns about using technology was the 508 compliance issues and the lack of clarity surrounding the implementation of tech. in a 508-compliant way.

4. Scheduling Timeline and Issues
 - a. Leah shared the college timeline for scheduling and the summer school start dates, etc.
 - b. Concern was expressed about the removal of the 4-week option for summer school classes, especially for those areas where retention and success was higher.
