

I, Cynthia Zamora, as the club advisor for Ballet Folklórico Ritmo y Sabor, am seeking approval for a fundraising event for our club through hosting a dance production called "Las Playas de México." This showcase will allow our BC dancers to show their talents while teaching our community about the dance and culture of Coastal Mexico. Our club will sell tickets to the community in order to raise our funds and we will also be hosting local groups from the Central Valley.

Please let me know if you have any questions or concerns and I will gladly provide more insight.

Sincerely,

Cynthia Zamora
