Education

- West High school (2011-2015)
- CSUB – Enterprise College (2014)
- Bakersfield college – Chemistry Major (2015-Present)

Experience

- Junior Class President 2013-2014
 - Was elected into presidency where I worked to spread unity through various school activities such as homecoming and prom
 - That year our class prom we reached the goal of having the highest selling prom of west high school
 - Conducted weekly meetings for organization and properly training for our leader
- Senior Class President 2014-2015
 - Was reelected into the presidency position where I continued to promote a sense of unity within our community of high school students
 - That year the 2015 class planned various new new activities like senior sunrise and the senior talent show
 - It was a very trying year because we were implementing so many new social events that required us to work together in order to come up with the ideas and structures we needed, however the year was very successful.
- Tutoring Center at Bakersfield College 2015-Present
 - Was recommended by my Political Science and Algebra professor to become a tutee for my outstanding work in the class
 - I was very dedicated as a tutee to ensure that the information I was giving was clear and helpful
 - I spend about 12 hours in the tutoring center on a weekly basis helping improve the understanding of my peers
 - Am planning to continue working at the tutoring center where I have now been recommended into a “drop-in” tutor position

Volunteer Work

- West High School 2013-2015
 - Volunteered as a cashier for our high school lunch student store
 - At the end of the shift we made sure that at the money was properly counted and stored
 - Worked to make sure all our items were counted for and restocked
