Subject: Resignation Of Director of Activities Gregorio Castro

To BCSGA Senate,

I am seeking Senate's acceptance of Director of Student Activities, Gregorio Castro's, resignation.

As per a conversation between him and I:

Director Castro expressed having personal and family responsibilities that required his attention and that those responsibilities would make him unable to perform any of his duties.

On these grounds, Gregorio Castro verbally submitted his resignation to me July 29, 2018 6:30 pm and I accepted.

Respectfully,
James Tompkins, BCSGA President
