PRIORITIES:

My priorities include:

- graduate from BC and transfer to UC Davis/ CSUB and continue my education to eventually obtain a Doctorate degree in my major
- After grad I am looking forward to volunteer in political campaigns in the Democratic party.
- Assist as a government affairs representative.
- Lastly to get a job in the state Legislature after I get enough experience with politics, and beyond.

Voluntary activities:

- I was involved in BSU,
- In project best.
- A student athlete in Basketball for Stockdale high.
- Bakersfield College Medical club

Types of work/ experience

- I was at edible arrangements (Previous Job), my job title was a fruit expert I helped decorate bouquets and cut fruit.
- I attended Bakersfield Homeless shelter, I helped children with homework for an hour and the second hour did activities.
- I served the community at every football game for all 4 years attending Stockdale High. Helped setup a carnival at Munsey elementary and helped sell food and snacks,
- I was also involved in the Kern county museum and help set up the walk to cure cancer and assisted in unloading and unpackaging items. Also it insisted on managing drawer count and data at the end of each working day to separate actual cash from credit/debit card cash, and our budgets.
- I have experience working for Quest Marketing Solutions. I was a sales representative for this company, this job required patients and consistency and required employees to

know the product that was being sold, also required persuasive knowledge to lure customers. This required a huge amount of leadership and daily goal planning. This was community involved and me and my team did a huge amount of lobbying.

- Albertons on panama lane required a huge amount of produce and efficiency and respect towards fellow customers.
