To whom it may concern,

When I first joined the Student Government Association (SGA) at Bakersfield College back in May of 2022, I had a lot of time on my hands and had a strong desire to get involved. I was going to school full-time and had a part time job in the meantime. But it is with a heavy heart that I submit this letter of resignation. My circumstances and schedule have changed and for my physical, mental and emotional health, I thought it best to take a step back and set my priorities straight. I just want to take the time to thank all of the people that I have gotten to know and meet through SGA. I really treasure the camaraderie and friendship that was cultivated through my time in SGA and I hope such connections endure.

Best,

Hunter Moore
