Subject: Nomination for Director of Public Relations

*I nominate Julianna Gonzalez to the Office of Director of Public Relations.. I believe that she would be a great addition to our board due to her calm demeanor as well as her balance of ideas. She is someone who has many ideas to offer that I believe would be great for SGA in the long run, she also is very open to conversation. There are many things and styles of art that she can incorporate due to her artsy personality, it only makes sense that an arts and studio major would fit perfectly into this position.*

*Cindy Ceja Miranda*
