Subject: BCSGA Executive Leadership Transition

Since current President Tompkins has not reported regarding his leave of absence, in accordance to COBRA 704.02a from the September 26, 2018 memo, Ashley Harp, the current Vice President, has been deemed the President of the Association, pursuant to COBRA 210.01a until his return to office.

Thus, Ms. Harp shall surrender the title as Vice President to another member of the Association. In pursuant to COBRA 210.01b, as the BCSGA President, she nominates and recommends Senator Samantha Pulido to the position of BCSGA Vice President. The Vice Presidential duties shall be transitioned over to Senator Pulido upon the close of this meeting.

This transition plan has been vetted through the BCSGA Advisor, Dr. Nicky Damania, and now for the BCSGA Senate for approval. This transition plan is in effect as there has been no communication brought forward by Mr. James Tompkins.
