Please explain in detail why you are requesting a refund. At least 100 word statement is needed. *  
I'm requesting the automatic ASB charge be removed for my registered classes in Summer/Fall 2022. I will not be needing the ASB card for Summer or Fall of 2022. I will only be taking online courses throughout the 2022/2023 school year. I have called the business service office to have the fee removed before I pay for the health fee but I have not received a call back yet and for some reason I cant even pay the health fee online so I'm just following instruction to make sure I cover my end asking
for the fee to be removed instead of requesting a refund on something that has not been purchased yet.
