Dear Sir or Madam:

Please accept this as an expression of interest in the **Student Government position**. I have enclosed a copy of my resume for your review. I am familiar with the requirements for success in the **Student Government position** and believe I possess the right combination of experience and interpersonal skills.

My previous full-time jobs have provided the opportunity to work in high-pressure team environments,

where it is essential to be able to work with my colleagues to complete assignments.

I am seeking a career that will allow me to apply my interpersonal skills to the fullest

and pressure my commitment to serving the students. I believe that the **Student Government position** provides the best possible avenue along which to achieve

these goals, and that in turn I can become a real asset to

your company as a member of your service team.

Thank you for your time and consideration. I would welcome a personal interview in which we may discuss my potential contributions to your company. Please call me at 661-346-0760 or email any time, and suggest a time that will be convenient for us to talk. I look forward to your reply.

Sincerely,

Moises Camarena
