

Michael Wyatt Letter of Intent

1. Why are you interested in being appointed to this position?

I am interested in this position because I would like to be a part of the government and would like to be a part of the process in charge of making decisions.

2. What skills do you have to be successful in this position?

I am a very sociable person, and I often think of everyone but myself. I am involved with Bakersfield College already in so many other ways. I dedicate all my free time to whatever I can find that has to do with college.

3. Why does Bakersfield College have a student government?

There is a student government because there has to be someone or somebody to represent the students of the school, or the student body.
