

## **Agenda**

Mathematics Division Meeting

Friday, January 12, 12:15 – 12:45 p.m.

CAP workshop at COS

### Discussion Item:

Co-requisite proposal—Cindy, Di, Dustin, and Ian

### Informational Item:

SLO assessment—Ian

### Minutes:

Cindy, Di, and Ian presented the proposals for co-requisites for Math P122 and Math P051. Concerns were expressed that the co-requisite for Math P122 emphasized too much intermediate algebra. Ian explained the SLO assessment process and the timeline for assessing our course SLOs this spring.
