First Mission Review Team meeting, Wednesday, April 2, 8:00-9:00

Develop process of developing mission

Look at other mission statements

Other multi-college districts: Sac City, Riverside

### **Brainstorming ideas:**

1. Primary access point—city, surrounding communities and rural areas
2. Centers that serve those areas
3. HSI
4. Look at this process through multiple lenses
5. ACCJC standards
6. Don't shut door too tight→ flexibility
7. Talk detail→ explore every thought
8. Closing achievement gap?
9. Not closing out online conversation→ keep open
10. Mothership
11. Educational delivery with first generation in mind
12. Vision statement is aspirational; mission is operational
13. Clarify role: vision, mission, values
14. For over 100 years we have served the needs of our community; as those needs have changed so has to college (flexibility, changing demographic→meeting multiple needs)
