

**Bakersfield College Mission Statement
Questions for Consideration**

- 1. What are Bakersfield College's broad educational mission and purposes?**
 - a. What is the one thing or idea that you think must be included in the Bakersfield College mission statement?*

b. How would you word it?

- 2. How can Bakersfield College best articulate its commitment to student success, learning and achievement?**
 - a. How can Bakersfield College best articulate its commitment to student success?*

b. How do you distinguish between student learning and student achievement?

3. Define Bakersfield College's geographic service area. Describe BC's intended student population.

a. Who are our students?

b. How would you characterize their needs?
