What is NACCC?

- The National Assessment of Collegiate Campus Climate (NACCC) is a quantitative national survey of undergraduate students.

- 15-minute web-based survey that includes six content areas
  - Mattering and Affirmation
  - Cross Racial Engagement
  - Racial Learning and Literacy
  - Encounters with Racial Stress
  - Appraisals of Institutional Commitment
  - Impact of External Environments

- Developed and administered by the USC Race and Equity Center

Chancellor Christian and Dean Hayward serve on the 30-member Racial Equity in Guided Pathways Commission at USC Race and Equity Center.
NACCC was administered to BC students (N=22,792) in Spring 2021

In total, 1,442 students participated in the survey (6.3% response rate)

• CCSSE was administered to BC students in Spring 2022
  • 109 classes were randomly selected for in-class administration
  • 1,966 online only students were also invited to participate

In total, 1,348 students participated in the survey (89% of target response rate)
