March 4, 2020
Kim Nickell, Faculty Co-chair

Charge
In support of the College's mission, the Program Review Committee (PRC) facilitates an annual, systematic self-assessment of institutional effectiveness and future planning for instructional, student services, administrative, and operational areas. PRC provides training, feedback, commendations, and recommendations related to the program review process. The committee contributes to "Closing of the Loop" by disseminating resource allocation requests to responsible committees and by improving our own processes. The committee reports monthly to Academic Senate and annually to College Council and Administrative Council at their last meetings of the calendar year.

2019-20 Goals

- Create an annual update that is relevant to hybrid programs that encompass both instructional and non-instructional elements
- Include Program Mapper in the Program Review process.
- Refine the eLumen Program Review
- Comprehensive Program Review in eLumen

Work for Spring 2020:

- Feb. 18th was a workday for Program Review to get the 2020-21 cycle out by the end of April 2020.
- The PRC web page has been updated with the documents from the 2018-19 cycle.
- The PRC is working toward making all eLumen reports for the 2019-20 cycle accessible and posted on the PRC web page.

See the Program Review web page for important information regarding the PR process, including supporting documents and representatives on the committee. If your area has no representation on the committee, please consider joining us.
