Since publishing our first Student Equity Plan in 2014, Bakersfield College (BC) has been fully engaged in institutional redesign to improve equitable outcomes in student access, success, and completion for all students. This document serves as a renewal of that commitment with an intensive refocusing on racial equity for our students, faculty, staff, and community.

As the community’s college, we embrace our responsibility to serve as a beacon for understanding—to create spaces for shared listening, learning, and engagement. We believe that through collective consciousness raising both on campus and in the community, BC fulfills its mission and makes visible our core values of diversity, integrity, and community through action.

**Bakersfield College’s Mission:** Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment promotes equity and fosters students’ abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.

**Diversity:** We insist that diversity be valued and promoted, recognizing that multiple perspectives lead to a better education and knowledge of the world; listening and witnessing different experiences helps us to understand and contextualize power and privilege related to gender, race, class, religion, disability, and sexuality in terms of access and barriers to resources and opportunities.

**Integrity:** We continue to develop and follow an ethical and moral consciousness, which places the collective wellbeing and health above the self; this principled environment allows for open, constructive conversations and teaches us to trust each other’s vision so that we will be useful and effective in providing support, resources, and encouragement.

**Community:** We commit to the wellbeing of all members of our community; we maintain strong ties with the surrounding community, and we respond to their needs by serving as an open institution which engages all students, faculty, and staff. In our college, we have built and continue to build an environment in which all members participate as a community through democratic engagement.

Guided by the tenets of the racial-ethnic equity commitment set forth in this document, the Equal Opportunity and Diversity Advisory Committee (EODAC) will lead the campus in enacting our core values to achieve racial-ethnic equity in access, success, and completion. Together, BC commits to the following framework:

- **A Racial-Ethnic Equity Student Success Agenda**
- **Collective Consciousness Raising**
- **Faculty & Staff Diversification**
- **Race-Ethnic Conscious Curriculum for Police and First Responder Training**
In the last 6 years BC has been committed to transparency and accountability in its work to achieve equitable outcomes, and we are proud of our significant progress on our equity targets in the past several years.

**Transfer-Level English Completion**

While we have made promising strides, we acknowledge there is more to do. BC's commitment to routinely collect, disaggregate, and utilize data will continue to inform goal setting and action planning at all levels – from our daily work to the development of our Strategic Directions.

**ACCOUNTABILITY**

The EODAC commits to be **Responsive, Active, and Proactive** in addressing racism in all aspects of college and student life by developing and employing actionable equity strategies.

EODAC will be responsible for the routine monitoring of all commitments defined in this document and will biannually renew the commitments to ensure they are meeting the needs of our community.
Bakersfield College provides a rigorous and supportive learning environment that promotes equity for its students who come from diverse economic, cultural, and educational backgrounds. Bakersfield College has created this rigorous and supportive learning environment by becoming a Guided Pathways college in which equity is built into how we intentionally design the college experience so that each student receives what they need to be successful. Because Bakersfield College supports the Vision for Success goal of reducing the equity gaps of all student success measures among traditionally underrepresented student groups by 40% in five years and totally closing the gaps in ten years, we have committed ourselves to create the rigorous and supportive learning environment in which all of our students can succeed. The racial and ethnic group is one component of Bakersfield College’s equity work that also includes gender, persons with disabilities, foster youth, veterans, and low-income students.

**COMMITMENT #1**

**A RACIAL-ETHNIC EQUITY STUDENT SUCCESS AGENDA**

Bakersfield College’s 2019-22 Equity Plan is robust and defines specific outcomes for a number of populations. As a Guided Pathways college, BC re-commits to sharpening this focus on **dismantling institutional barriers** in access, momentum, and completion. BC administrators, faculty, and staff will **intensify our resolve** to achieve racial-ethnic equity in outcomes for our students.

**A Racial-Ethnic Equity Student Success Agenda includes:**

- Advance completion rates among African American/Black students by bolstering programs in our [African American Initiatives](#) to improve readiness and strengthening academic and personal supports.
- Advance completion rates among Latinx/o/a students by bolstering programs in our [programs for undocumented students](#) to improve readiness and strengthening academic and personal supports.
- Address and remove financial barriers and resolve the digital divide through programs such as [Kern Promise: Finish in 4](#) and the [Chromebook/Electronic Equipment Advance Application](#).
- Disaggregating all data by demographics and calculating the [Proportionality Index and the 80-Percent Index](#) for student success metrics that include transfer, degree/certification awards, 15-unit and 30-unit milestones, transfer-level Math and English completion within the first year. Research is done to identify the barriers that are producing any disproportionate impact for particular student groups and then allocating resources to remove barriers of our own making or mitigating external barriers.
- Accountability measures including regular reporting to the California Community College Chancellor’s Office of our [Student Equity Plan](#) and incentive extra funding to colleges for students who achieve the student success metrics and are on the California Promise, Pell Grant, or have AB 540 status as given by the [Student Centered Funding Formula](#).

**COMMITMENT #2**

- Assessing campus climate through the annual Bakersfield College Accreditation & Institutional Quality committee’s campus survey, the KCCD’s Climate Survey, and nationally recognized instruments such as the \textit{USC Racial Equity Institute’s “National Assessment of Collegiate Campus Climates”} or other similar peer-review instrument.
