Subject: Bakersfield College Reorganization Task Force Update #2
Date: Wednesday, October 16, 2013 11:51:38 AM

The Bakersfield College Reorganization Task Force is continuing work on the development of three options for the administrative structure of Bakersfield College that promote the values, mission and strategic focus of the college in the 21st century.

In preparing its drafts of reorganizational structures, this Task Force has reviewed several historical BC administrative structures; comparable community colleges/districts structures; and suggestions related to institutional needs, strengths and opportunities for innovation through the various focus groups and open forums. The Task Force will present three preliminary proposals to College Council this Friday, October 18.

Additionally, for those who have not been able to attend a focus group, the Reorganization Task Force will provide an opportunity for you to give input virtually. Keep an eye out for an email with those details.
