

SENATOR
Letter of Resignation

To the Bakersfield College Student Government Association,

It is with the utmost regret that I am writing this letter to inform the Senate that I am resigning from my position as a Senator. Whether it has been my work previously as the Director of Finance or simply, as a Senator, being a part of the environment that the Student Government Association facilitates, I am glad to have had the opportunity to be a part of such an esteemed organization where students are placed first, not once but twice. Thus, I would like to thank the Senate for my appointment to the position.

As my final remarks, adjourning my journey as a Senator, I wish the Board the very best of luck with their goals and visions for the Body of Bakersfield College.

With gratitude and best wishes to the Association,

Ritik Kumar
