**Subject:** Resignation Letter

To Dr. Damania and the BCSGA members and staff,

I am writing this letter to inform you of my resignation as senator from the BCSGA. After reviewing my school schedule for next semester and my adjusted work hours, I realize that there would be no way to continue being an integral part of the BCSGA and asked to be relieved of my position so that someone who has a more available schedule can be put in my place. It has been wonderful learning about the student government of Bakersfield College and my short time working with you has given my valuable experience.

I would like to thank Director Garcia for letting me be on his amazing committee and to be apart of his wonderful projects. Vice President Jiménez and President Frazier for their leadership and cooperation. Lastly, I would like to thank Dr. Damania for giving me this opportunity and being great help.

Thank you all and continue to do what you do,  
Go Gades  
Richard Van Horne
