Night Walk Follow Up

Main Campus

- North side of FACE between CDC fences
  - Completed.
- North side of Admin toward P1
  - Construction completed.
- Entrance and south side of Horticulture
  - M&O to address internally. The horticulture lab will eventually be an upgraded construction project, which should ultimately address lighting. There are still conversations about what to do in the meantime. T.Dearmore will evaluate the area again, especially with construction equipment in the area.
- CDC bollards
  - M&O to address internally. A work order has been submitted and should be completed by the end of the month. R.Puga states that he thinks M&O has found the bollards.
- Perimeter of campus near bushes
  - M&O receiving quotes for outside vendors. Secure fencing is being installed in several areas around campus. This area would need to be assessed again.
- Lighting on southside of pool along street to P8
  - M.Rodriguez stated that AC Electric should address. R.Puga will follow up.
- Lighting on the service road along University Ave
  - R.Puga will follow up. M&O is still exploring options. R.Puga will meet with T.Dearmore to address this issue.
- Campus wide lighting shut off on weekends
  - T.Dearmore has confirmed with J.Coggins that lights should be on all night until sunrise.

Weill Institute

- Northwest parking lot
  - D.Birdwell is working with the electrician to address. T.Blanco will follow up.
- Custodial entrance/shipping dock
