Mr Hidalgo,

My name is Dyann L. Serrato, a Sophomore enrolled as a Psychiatry major as well as the Pre-Law program at Bakersfield College. I received an email concerning the need for a Parliamentarian in the BC SGA office and would ask that you consider me for that position. I have a great passion for law and the thought of fulfilling this position excites me.

I began my journey into law through a Paralegal program at Fresno City College. My husband's job relocated to Bakersfield so I was unable to finish my study. When Bakersfield College obtained the Pathway to Law School Initiative I knew right away it was something I had to be part of and promptly applied.

I have been familiar with Roberts Rules of Order as an organization I was involved in used the rules then conducting meetings. I have been familiarizing myself with COBRA, and the BC Constitution as well as the Brown Act. I have recently become involved in the BC SGA as an ICC Representative for the Pre-Law Club. I have found this semester to be especially rewarding due to my dedication to this position.

I understand the importance of the student body to be able to be represented in the College setting. I also understand we have the right to participate in the governance of the College and should demonstrate the freedoms of doing so.

Thank you for considering me for the Parliamentarian position. I look forward to the challenges that lie ahead.

Sincerely yours,

Dyann L. Serrato
