Details

Create delicious, refreshing snow cones with the Paragon 6133510 Port-A-Blast snow cone machine! This snow cone machine features a 1/3 hp motor that can process up to 500 lbs. of ice per hour for maximum output, while its heavy duty aluminized metal body provides long-lasting durability. The plastic ice tub easily slides in and out from underneath the ice shaver, and its durable enough for constant use.

NSF Listed.
