PARAGON

Details

Attract your customers to your concession stand or snack bar with the Paragon 6133300 Simply-A-Blast sno cone machine! This sno cone machine features a powerful 1/3 hp motor to grind up to 500 lbs. of ice per hour so you can keep up with your busiest times. The frame is made of aluminized metal for long-lasting durability, and its tempered glass allows a full view of the interior at all times. It also comes with a removable slanted drain deck

The kids love this! We use it on our onsite school. Much cheaper than renting all of the time! Its work horse! High recommend this product! If your unsure on if you will use it enough... you will definitely use it more when you own it!
