

To advocate for the student body justice system that fosters public safety on campus by assisting and educating students on student policies and student life.

I will work to ensure that BCSGA constitutional rights apply to all, regardless of race, ethnicity or economics.

Overall, I plan to help the campus student population thrive through honest justice in the judicial role in BCSGA.

My intent is good.

Ian Spark

Bakersfield, CA 93313 | ian.n.spark@gmail.com

Objective
