WHAT WE LEARNED

- Initiatives must be clearly stated.
- Initiatives must be singular, not a list of items (no ands).
- Initiatives must be measurable.
 - How the initiative will be measured must be stated.
- Initiatives must have an end date. (Do not lend themselves to be scored as “perpetually in progress”)

WHAT WE LEARNED (CONT.)

- Initiatives should indicate a tie to Pathways where possible.
- Initiative scoring must be the responsibility of one lead.
 - Committees are involved, but a tie breaker must have the final decision.
- Previous Strategic Direction #4 removed, Oversight and Accountability is embedded in all directions.
- Alignment with the mission of the college.
