Full-Time Faculty	268	323	83%

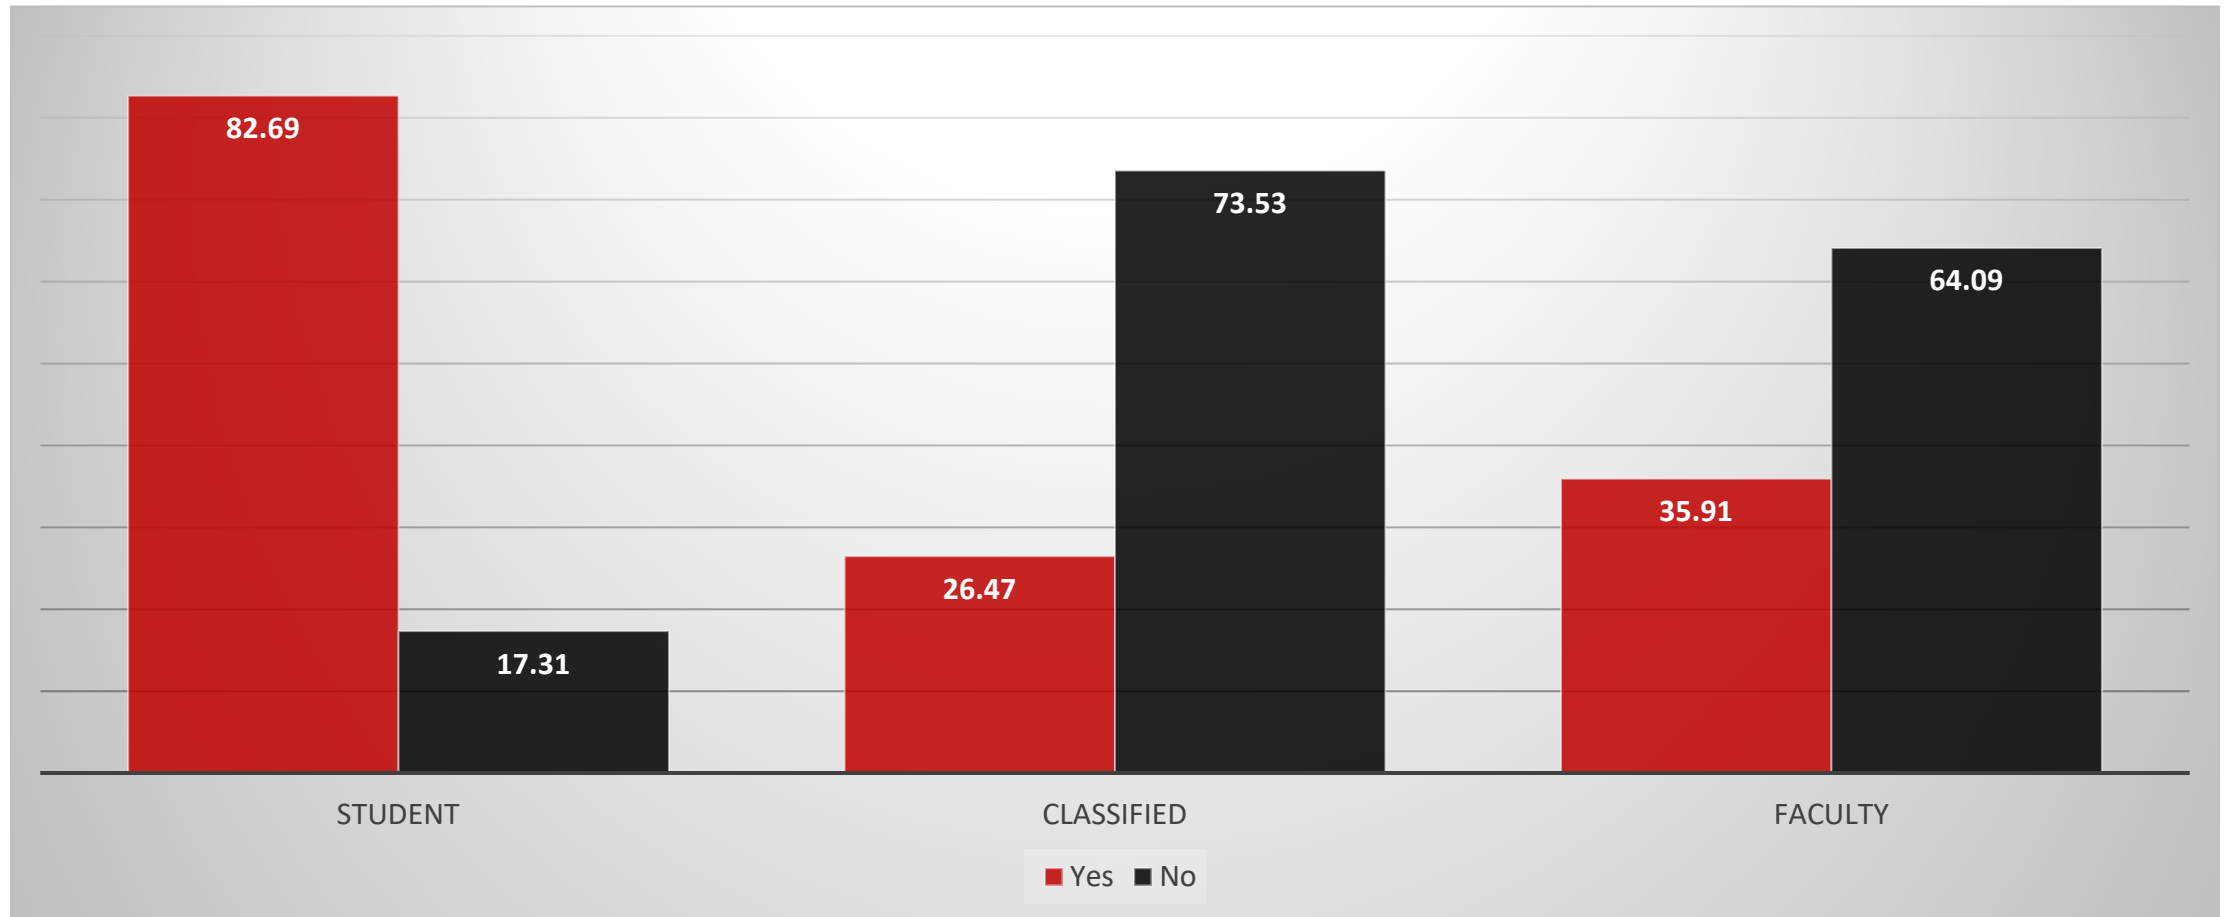

Note

- Questions in presentation are summarized and not the exact phrasing. Exact wording of the surveys is published on the WITF webpage.

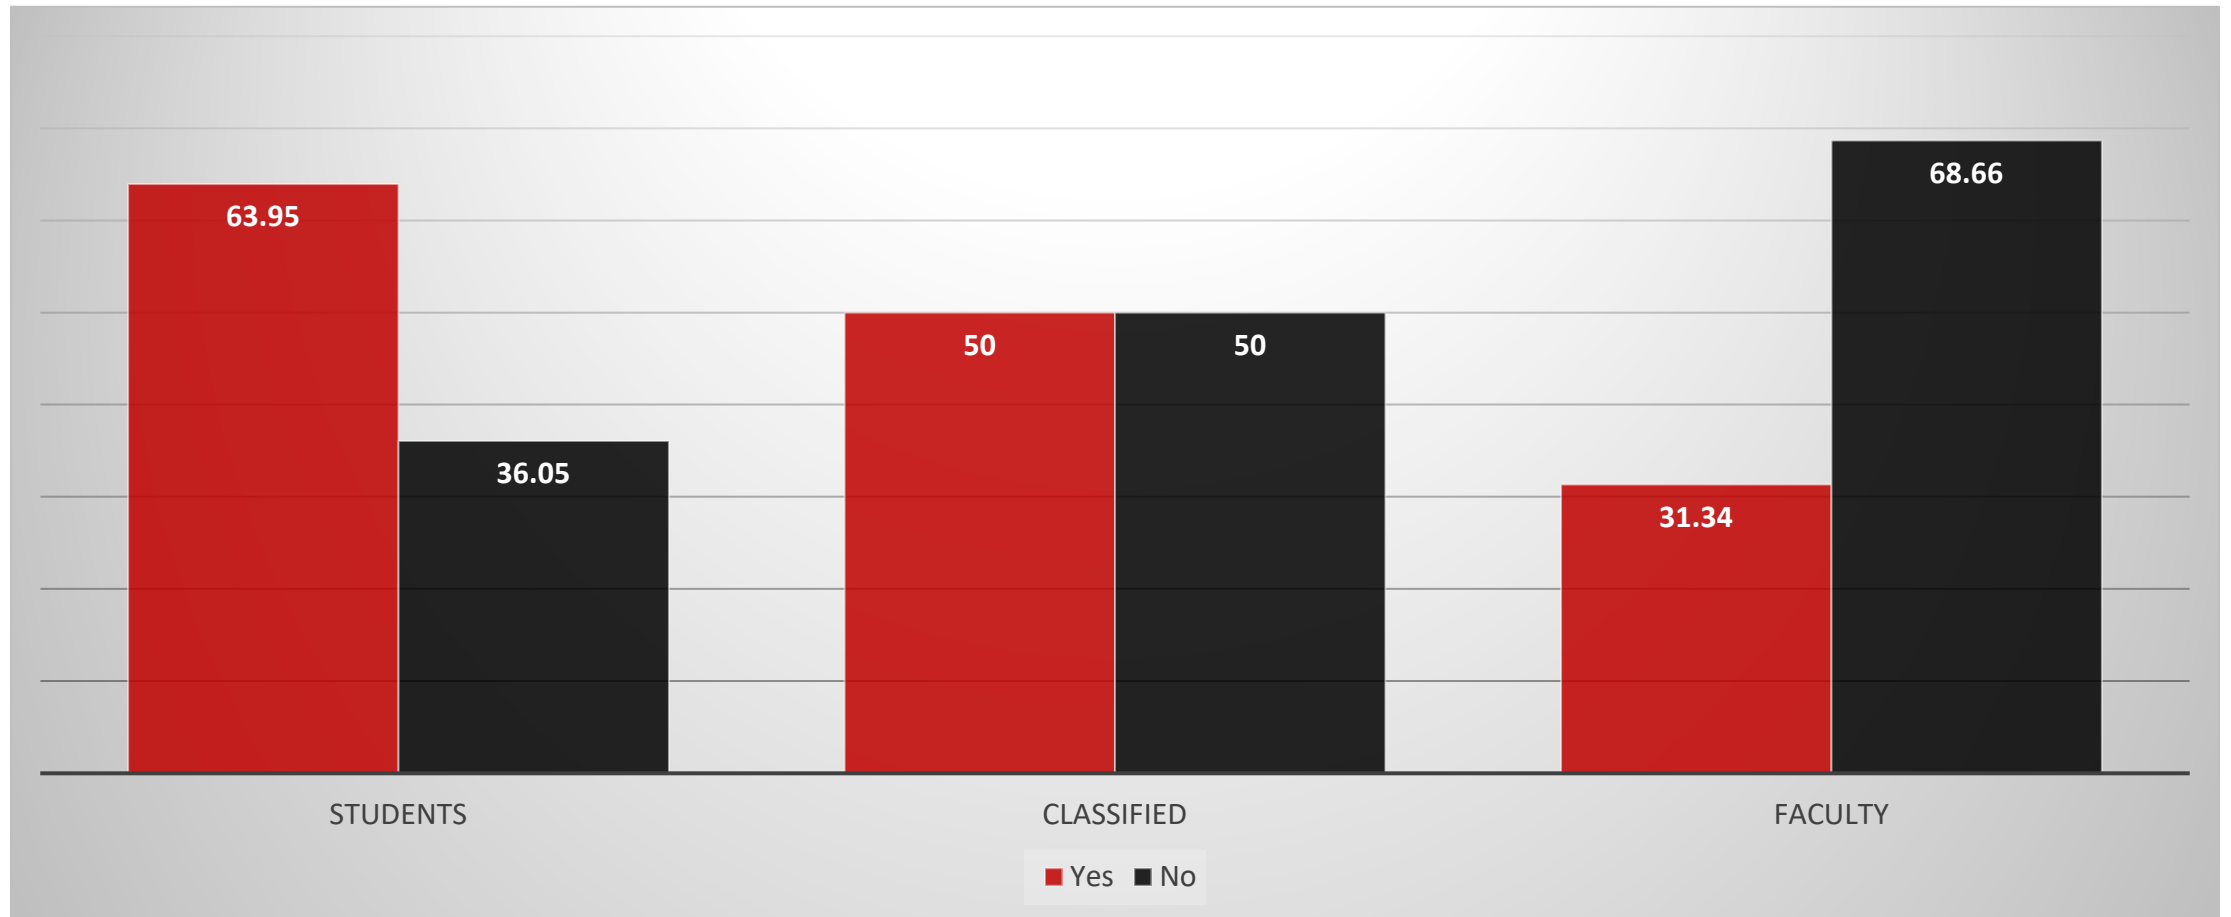

If BC added a 5-week winter intersession that would not change the academic calendar, would you support the change?

Would you work/teach/take a class during a 5-week intersession?

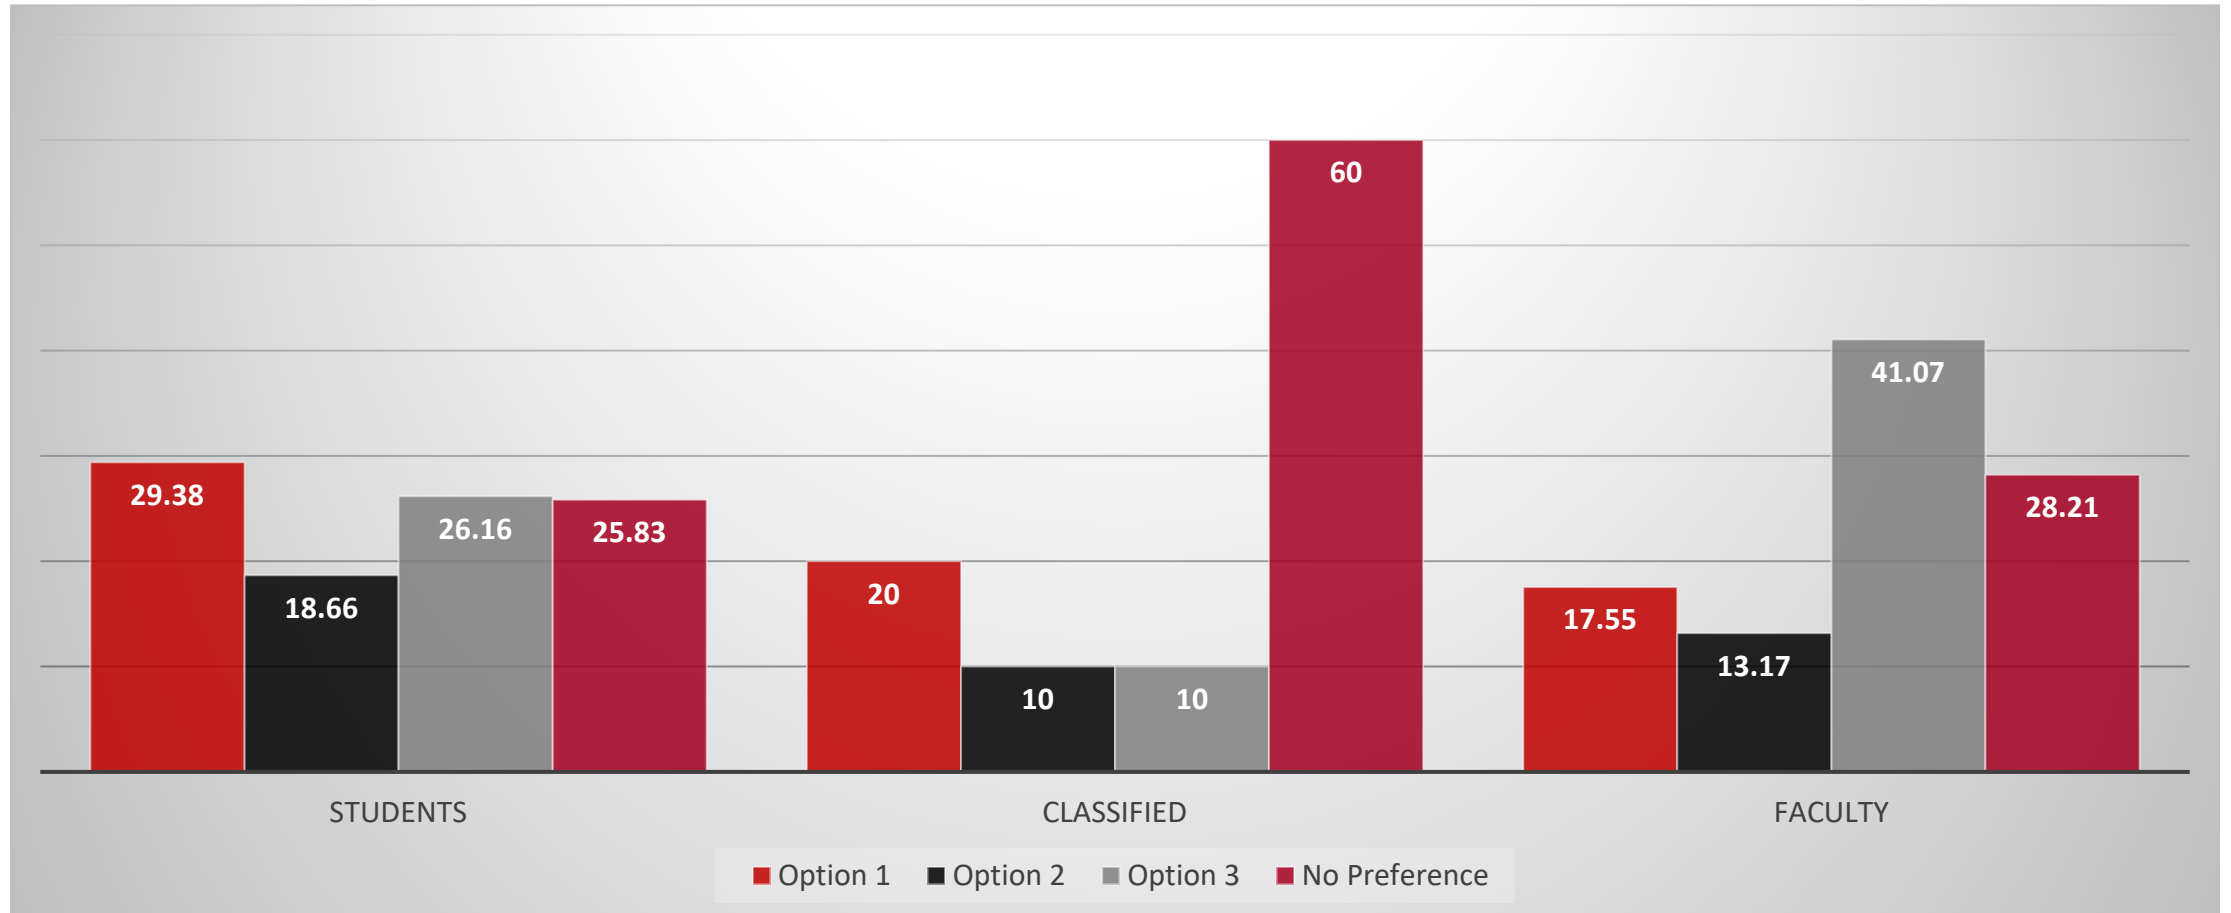

If BC added a 6-week winter intersession that would change the academic calendar, would you support the change?

Would you work/teach/take a class during a 6-week intersession?

If BC added a 6-week winter intersession, which option would you prefer?

Would the addition of any winter intersession significantly change your work or living conditions?
