Communication skills, leadership skills, Interpersonal abilities, flexibility/adaptability priorities, sensitivity awareness, creativity, reasoning, teamwork.

### Experience

July 2016-Present

**Target, Mall View - *Hardlines, cashier, electronics***

Hardlines is a job where you are on the sales floor and make the sales floor look really nice and makes it so people wanna shop. You are always interacting with guests, and talking with guest. They constantly ask you questions, and you walk them over to where it is at or ask for help from another team member. I am also trained for cashier, which I do when we get busy, and I am also trained for electronics.
