

## Advisor Statement for InterVarsity Christian Fellowship Regional Fall Conference

I will be attending the Regional Fall Conference with the students of the BC InterVarsity Christian Fellowship Club. This will be a time for students to fellowship with one another, participate in Bible studies, learn to appreciate themselves and others. The national organization will cover my costs, as well as scholarshiping up to 50% of student costs. I am requesting that BCSGA reimburse me only for mileage (248 miles @ \$.54/miles).
