

Letter of Intent

1. I am interested in becoming a senator for bcsga to learn more about the constitution and the COBRA and to help make bc more inclusive for all students.
2. I have a strong work ethic and ambition to help students have a great experience will attending BC.
3. BC has a student government to have representation of the student body and to also have communication between staff and students.
4. I will bring new and creative solutions to help BCSGA and the student body at large.
